## They're Back

After a great camping season last year, this off season has seen the camp committee hard at work. It is with great pleasure that we announce the return of Randy Johnston and William Randlett for the summer of 2012. As executive / summer camp director, Randy will once again take on the task to make sure that all is in place for yet another great year at CAB. William is already dreaming up ways to make this summer an unforgettable one for each and every camper that attends. As program animator, he will be responsible for all the fun in the sun that you can handle. As always, quality staffing is a priority at CAB, so once again as we do each year at this time, we have begun our search for male and female counselors, cooks, kitchen helpers and

chaplains. We are praying for a great team for this upcoming season. Anyone interested in the positions contact us or download an application on our web site. We know that as important as it is to have competent leadership, it really is the campers that make each summer special, so we are truly hoping to see all of our campers from last year return, not just by themselves, but perhaps even bring a friend or two with them. With our upgraded facilities and our new certification with the Quebec Camping Association, things just keep getting better and better at CAB. Why not come and enjoy the intimate and family like atmosphere along with all the beautiful scenery that Camp d'action biblique has been offering children and youth for over 60 years.

## Bring a Friend and Win!!!

It has often been said by our campers, that once they attended camp, they always wanted to come back. We have also seen many campers register for one week and then decided to stay for two. This year we want to throw out a challenge to all those who plan on attending. Why not invite someone you know to join you in experiencing all the excitement and warmth of a week at CAB.

As an incentive, any camper that takes up this challenge by having a friend register with them, will receive a free camp t-shirt or our early bird rate. If you register two friends, you receive both. To qualify, the friend or friends you bring must not have attended CAB for at least the past three years. With summer just around the corner, we can't

wait to see all the smiling faces of our campers as they swim, play sports, do archery and of course be put to the test as they play our famous and much loved mission impossible and counselor hunt games. Be sure to reserve your spot for what will surely be another amazing summer at CAB.
