

It is Better to Give...

As we all head towards the Christmas holidays, a season which many call “the season of giving”. I can’t help but remember the generosity of so many this past summer that allowed our camp to once again be a safe haven where children and youth were able to enjoy fun, friends and a strengthening of their faith.

To our dedicated summer staff, and to the many that responded to our request for some much needed sponsorship monies for families in the Lac Megantic area, we want to say “Thank You” for leading by example and for showing us all that the true spirit of giving is not merely a season but rather a lifestyle. Eternity alone will show what your efforts and sacrificial giving has accomplished for the kingdom of God.

Golf Anyone?

This past summer saw our camp install a brand new nine hole disc golf course that runs throughout our property. Whether it takes you across a bubbling brook or along some beautiful forest trails, this course allows both our campers and rental groups to truly enjoy the beauty of nature. This little known sport is quickly gaining in popularity around the world and we are very pleased to offer this exciting activity during our summer programming.

Planning Ahead

Although snow has already fallen and the camp will soon be under a white blanket for a few months, the camp committee is already making plans for the summer of 2014. "Staff applications, as well as maintenance and development priorities, will soon be considered. Of course, your much-needed support is always welcomed and appreciated." Please visit our website for all the latest pictures and information on how you can be a part of a truly worthwhile ministry.
