

# Camp d'action biblique

## The ABC's of C.A.B.

Someone recently asked me to describe our camp to them. Well after thinking about it, I realized that if you like acronyms, it really is as simple as ABC. Adventurous Activities, Bible Based and Close Community. Those are the three things that keep making Camp d'action biblique a place where young people love to be. In a day and age where technology occupies so much of our children's time, it's great to see them "get away from it all" and escape to the great outdoors. This summer promises to be another exciting one for our campers. Whether it is hiking to our tee-pee site for an overnight camp out, splashing about in the lake during a challenging game of watermelon football or simply walking through the forest playing a round of disc golf on our recently installed nine hole course, one thing is certain, adventure will certainly be a daily occurrence at C.A.B

I have also been asked what the difference is between a Christian camp and a secular one. When you have a bible based curriculum, love and acceptance is the norm. Regardless of their backgrounds, at CAB our campers always enjoy an atmosphere where they feel free to be themselves. This quickly results in a very close knit community where friendships that can last a lifetime are formed. I really can't think of a better way for young people to spend their summer holidays. Why not encourage the children and teenagers that you know to come and enjoy the ABC's of C.A.B.

Hope to see you soon.

Randy Johnston
