Slow and Steady ... Wins the Race

Someone once wisely said that a little progress everyday ends up in big results. The CAB committee considers it both an honour and a joy to be a part of a team that is continually seeking to improve both the infrastructure and the services that our camp offers. These past years have seen us build a new bathroom facility, a brand new infirmary, a nine hole disc golf course and most recently the first six stations of a wonderful low ropes course. Add to all of that a new landscape for our waterfront, a lake stocked with speckled trout and a steady increase in campers and it all adds up to one thing, progress! While staying true to our Presbyterian roots and values, our commitment to outdoor play and inward growth has truly made CAB a happening place to be. To all of you that have contributed by way of your prayers, financial support and volunteering, we say a great big thank you! We couldn't have done it without you. We do however believe that the best is yet to come. Plans for the summer of 2016 are already underway and we are excited to see what God has in store for us. Please visit our website for all the latest news and pictures that are truly worth a thousand words. May God bless you and your family during this holiday season and we hope to see you in the New Year.
