Camp d'action biblique

Come fly with us

Fun is about to take on a whole new meaning at CAB. Our low ropes obstacle course that quickly became a hit with our campers when it was installed two years ago, is about to get a whole lot better. With the addition of not one but two zip lines, our campers will be flying through the air this summer. Once again our thanks go out to the Hamel family who have spearheaded this project from the very beginning and who continue to look for ways to improve it while keeping safety and security their top priority. **Look out birds, here come our campers!**

Never a dull moment

At CAB there truly is something for everyone. Not only do our chapel times encourage spiritual growth, but add to that all of our activities that range from disc-golf to swimming, from sports to overnight camping in the woods, from fishing to archery and the list does go on. The result is the perfect recipe for a fun filled week. We like to think of our self as the little camp that can and does minister to the whole person. We would count it a privilege if you would come and discover for yourself all that we have to offer.

A future project & you can help

Friendly reminders

Open House

Saturday, July 2nd (2 – 8 p.m.)
Join us for a great day of fun and fellowship. Come as a church, come as a family, or come alone.
Everyone Welcome!

Bilingual Camps

You can now choose the week **you want** as all of our camps are fully bilingual. It's a great way to learn or improve a second language.

Join Our Team

If you would like to be a part of the CAB team this summer, we would love to hear from you. We are still looking for a few more female counselors as well as a lifeguard.

Rental Groups

Each year churches and other groups discover the charm and very reasonable rates that our camp offers. For available rental dates simply call or email us. We are confident you won't regret your experience at CAB.

Someone once said “**dream big or go home**”. Well at CAB we like to think that we are a home away from home for our campers, and as such, we are always trying to improve the quality of both our infrastructure and services. The camp committee has recently decided that an outdoor structure that would allow our campers to stay dry in rainy weather would be a wonderful addition to our landscape. Although we always hope for sunny weather, there are those days when our campers run for cover to their respective cabins. A structure such as the one pictured above would not only keep everyone dry but would also be a great gathering place for years to come. We are asking all friends of CAB to consider making a donation towards making this dream become reality. All donations are tax deductible and a receipt will be issued.
