SEVENTY YEARS OF SMILES & TEARS

As in any ministry it is important to evaluate and measure success. At CAB one of our methods of measuring is quite simple, watch for the smiles during camp and the hugs and tears that happen when it comes time for our campers to leave. Having just celebrated our 70th year of camping ministry, we truly are grateful to God and everyone that has worked tirelessly over the years to make that the norm. This past summer was no exception, with 218 campers willing to experience all that CAB has to offer and 29 staff members dedicated to the task at hand, we can truly say that the summer of 2017 was an awesome 70th year celebration. **TO GOD BE THE GLORY!**

Valuable Volunteers

CAB has been blessed over the years with some wonderful volunteers. These people who love God and come willing to share their expertise in order to enhance our infrastructure have proven to be an invaluable asset. Our thanks once again go out to the Hamel family and their friends who built us a brand new and much needed two-bedroom staff cabin.
