We've Got You Covered

With CAB being over seventy years old, the upkeep and improvement of our infrastructure is something that we take pride in. This year we built a new 18 x 30 ft. gazebo. With trees from our own forest along with the help of some truly great and skilled friends of CAB, our campers and rental groups can now enjoy this multi-purpose structure for years to come. Whether it's an outdoor meeting, a game of floor hockey or just a desire to stay out of the sun or rain, at CAB we've got you covered!

Christmas in July

With Christmas right around the corner, our campers are no doubt thinking about the presents that are going to be under the tree. Well at camp we received a wonderful gift this past summer. The Municipality of Cleveland's counselor Gerald Badger offered to come and cook a mechoui for us. With Cleveland's Director General Claudette Lapointe also in attendance, it truly was a treat to see all our campers, staff and many friends of CAB enjoy such a delicious meal and great fellowship.

Our Wish List

As we continue to see growth the needs of CAB continue to grow. We dream of the day when we will have a new dining hall. With cabins filled to capacity at times, it's clear that two more would greatly increase the camps outreach potential. Camper sponsorship donations continue to allow some children to attend that would not have been able to. If you can help us with any of these items it would be greatly appreciated. All donations are tax deductible and receipts will be issued.

Difficult Departures

At the end of each session it's always hard to say good bye to our campers. Even more difficult is when you have to say goodbye to great staff. Over the years Alexandra and Jeffrey Hamel have surely left their mark at camp and now as they move on to pursue their careers, we wish them nothing less than God's best. Needless to say we are always looking for great staff like them, so why not consider joining our team, you won't regret it!
