When God Closes a Door...

After hearing that one of our long time partners (Welcome Hall Mission) would not be sending any children to camp this summer, we had to make some last minute adjustments to our schedule. This has translated into good news for parents who now have the opportunity to choose from three junior camps instead of two.

Junior camps

July 14th – 20th

July 21st – 27th

August 4th – 10th

It's been said that when God closes a door we should look for a window, well as we gaze out towards the summer of 2019, we are excited about what God has in store. We are thrilled about the return of our newest partner, The United Spirit Group, as well as the possibility of running a Day Camp along side some of our Junior camps. Please keep the CAB family in your prayers for we all know that change can be challenging but also very rewarding when we keep in step with God.

How You Can Help

Recruit Campers: For over 70 years CAB has been an Oasis for many children and youth. With social media and computers competing for our children's attention, we are asking you to help us recruit campers. Maybe it's a grandchild or a neighbor maybe it's a friend of your child or a child of your friend. Help us help them discover the CAB experience

Full sponsorships: You can help us, help needy families alleviate the cost of sending their children to camp. A full sponsorship of \$300 can truly be the difference maker as to whether a child can come to camp or not.

Partial sponsorships: Your gift of \$50 or \$100 will also go a long way in helping families decide to send their child or not. All donations are tax deductible and a receipt will be issued.

Tools: Circular saws, power drills, compressors, paint guns. If you have any electric tools that you would be willing to donate, or if you would be willing to help us with the cost of buying new ones, please give us a call.
