

Children camps for summer 2021 cancelled

A Matter of Logistics

It is with heavy hearts that we must announce that overnight camping has been cancelled for 2021. Even though the Quebec Government has decided that camps can operate, we have been closely following the exchanges between the Quebec Camping Association (of which we are a member) and the Ministry of Health in Quebec. Based on all indicators, even with camps being given the green light to open, the measures and restrictions that would need to be applied to ensure everyone's safety are simply not logistically feasible. We will truly miss all our campers and staff and we anxiously anticipate the day when we will once again be able to welcome everyone back for a summer full of fun and fellowship. In the meantime, please stay safe and if possible, stay in touch with each other this summer. We will continue to post any new developments on our website and Facebook page.

Marvelous Memories & A Favourable Future

We read in Isaiah 46: **"Remember the former things of old:** for I am God, and there is none else; I am God, and there is none like me, **Declaring the end from the beginning, and from ancient times the things that are not yet done."** What wonderful words of hope during this difficult time and what great advice too. When things look bleak, God says to take some time and look back and remember the good times, then look forward knowing that there is still more to come. We hope you enjoy these pictures from the past as we look to the future when we can make more wonderful memories the CAB way!

Please Pray

The COVID pandemic has been financially difficult for most camps.

CAB is no exception. Please keep us in your prayers and if you are able to help out with a donation, it would certainly go a long way. Our plan this summer is to focus on our building projects and infrastructure upkeep. All donations are tax deductible and a tax receipt will be issued.
