## WE NEED YOU !

## WE'RE GETTING CLOSER ...

## WE'RE BACK !

For a number of years now we have been sharing our vision for a new dining hall. We are so grateful for those of you that have kept this vision in your prayers and / or have contributed financially. Our heartfelt thanks goes out to The PCC who have recently committed \$30,000 to assist with the purchase of equipment for the new Kitchen. Our projected cost for this new / improved building is between \$300,000 - \$400,000, To date we have raised \$175,000. (Wow! Thanks everyone! ) But although we are getting closer to seeing that vision become a reality, we still need your help. With the ever increasing cost of building materials, it goes without saying that the sooner we reach our goal, the more cost efficient our project will be. Please consider making a one time or even a monthly contribution to our building fund. All donations are tax deductible and tax receipts will be issued.

Although we are very proud of our campsite, we know that what truly makes CAB a special place each summer is YOU. We are hoping that you will mark your calendars and register early to help us in our planning. Our early bird deadline is May 15<sup>th</sup>. Remember you save \$25 if forms and payment are received before then. Please see the enclosed schedule for camp dates and download the forms on our camp website. Staff applications are also available online and we sincerely hope to see many returning staff as well as new members to our team. To all the wonderful churches that have supported CAB over the years, we are asking that you help us recruit campers and staff so that the summer of 2022 will be one to remember.

Yes it's true, we are thrilled to announce that the summer of 2022 will see the return of campers to CAB. It has been a long two years and we have certainly missed you all. Although the grounds have been silent for the most part, The CAB team has been hard at work making plans to ensure a fun and safe return for all our campers and staff .
