Christmas 2022

And we're back!

This year was a year to celebrate, as we were finally able to greet campers and staff back at CAB. After two years of patience, it warmed our hearts to hear laughter echo through the woods again, filling CAB with camp spirit once more. We are also very proud to announce that thanks to the staff's diligence in enforcing health protocols and sanitary procedures, we conducted a very successful camping season, without any COVID outbreak. Way to go, team!

Amazing projects on their way

As we read in Nehemiah, many hands make light work. Thanks to friends and supporters, camp's infrastructure is always improving, with new metal roofs recently installed, many projects on the horizon: more tin roofs, a new cabin, dam repairs, a new dock and the relocation of cabin #4. And finally, our most ambitious project yet: extending the Oasis with a brand new and improved kitchen. We cannot begin to express how grateful we are for everyone's involvement, either with their time or donations. Donations are always welcome and much needed. Donations are tax deductible, and tax receipts will be issued. From the bottom of our hearts, we send you big thanks for your generosity.

Wishing you a very Merry Christmas

Camp season may very well be limited to summertime, but we all hold CAB dear to our hearts year-round... especially during the Christmas season. As anybody who has come to experience camp firsthand will tell you, you immediately become part of the CAB family. We look forward to seeing our family grow, year after year. From our family to yours, we wish you a Merry Christmas and a Happy & Blessed New Year. We cannot wait to see you next summer!
